ACCOUNT DISCLOSURE

The account described in this Truth-in-Savings Disclosure is a share account.

1. RATE INFORMATION. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. The Dividend Rate and Annual Percentage Yield may change at any time as determined by the Credit Union's Board of Directors. The Dividend Rates and Annual Percentage Yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. The HSA Checking account is a Tiered Rate account. If your Average Daily Balance is from \$5.00 to \$999.99, the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Average Daily Balance is from \$1,000.00 to \$2,999.99, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is from \$3,000.00 to \$4,999.99, the third Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Average Daily Balance is \$5,000.00 or greater, the fourth Dividend Rate and Annual Percentage Yield listed for this account will apply. Once a particular range is met, the Dividend Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account.

2. NATURE OF DIVIDENDS. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING. The compounding and crediting frequency of dividends and dividend period applicable to each account are stated above. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS. Dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you

make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends.

5. BALANCE INFORMATION. To open an HSA Share Draft account you must deposit or already have on deposit the minimum required shares(s) in a Share, Saplings Savings Share, The Kiosk Savings account. There is a minimum Average Daily Balance required to earn the Annual Percentage Yield disclosed for the dividend period. If the minimum average daily balance is not met, you will not earn the Annual Percentage Yield stated in the Rate Schedule. Dividends are calculated by applying a periodic rate to the Average Daily Balance in the account for the dividend period. The Average Daily Balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

6. FEES FOR OVERDRAWING ACCOUNTS. Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and

fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges
