

Nationwide Mortgage Licensing System (NMLS)

The Nationwide Mortgage Licensing System (NMLS) is the legal system of record for licensing in all participating states, the District of Columbia and U.S. Territories. In these jurisdictions, NMLS is the official and sole system for companies and individuals seeking to apply for, amend, renew and surrender licenses managed in the NMLS on behalf of the jurisdiction's governmental agencies.

NMLS was created by the Conference of State Bank Supervisors (CSBS) and the American Association of Residential Mortgage Regulators (AARMR). It is owned and operated by the State Regulatory Registry LLC (SRR), a wholly owned subsidiary of CSBS. The system has been built and maintained by the Financial Industry Regulatory Authority (FINRA).

Seasons Federal Credit Union's Financial Services Team is committed to fair and responsible mortgage lending practices. Our entire team has been NMLS Licensed.
