## ACCOUNT DISCLOSURES

*Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.*

**1. Rate Information.** The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Preferred Share, Money Market Share and Premium Money Market accounts, the Dividend Rate and Annual Percentage Yield may change at any time as determined by the Credit Union's Board of Directors. The Dividend Rates and Annual Percentage Yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. The Preferred Share, Money Market Share, Premium Money Market, and Featured Money Market accounts are Tiered Rate accounts. Once a particular balance range is met, the Dividend Rate and Annual Percentage Yield for that balance range will apply to the full balance of your account.

**2. Nature of Dividends.** Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

**3. Dividend Compounding and Crediting.** The compounding and crediting frequency of dividends and dividend period applicable to each account are stated in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

**4. Accrual of Dividends.** For all earning account(s), dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends.

**5. Balance Information.** To open any account you must deposit or already have on deposit at least the par value of one full share in a Share, Saplings Savings or The Kiosk Savings. The par value amount is stated in the Schedule of Fees and Charges. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are stated in the Rate Schedule. For Preferred Share, Money Market Share and Premium Money Market accounts, there is a minimum average daily balance to avoid a Money Market Low Balance Fee for the dividend period. If the

minimum average daily balance requirement is not met during each day of the dividend period, you will be charged a Low Balance Fee as stated in the Schedule of Fees and Charges. For all accounts, there is a minimum Average Daily Balance required to earn the Annual Percentage Yield disclosed for the dividend period. If the minimum average daily balance is not met, you will not earn the Annual Percentage Yield stated in the Rate Schedule. For accounts using the Average Daily Balance method as stated on the Rate Schedule, dividends are calculated by applying a periodic rate to the Average Daily Balance in the account for the dividend period. The Average Daily Balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

**6. Account Limitations.** For all accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a Reg. D Limit Exceeded fee or be closed. For Money Market Share and Premium Money Market accounts, you may make four (4) withdrawals per calendar month. For each withdrawal in excess of four (4) you will be charged an Excess W/D Fee as disclosed in the Schedule of Fees and Charges.

**7. Account may be assessed a Money Market Low Balance fee.** See Schedule of Fees and Charges for further details. A Money Market account must maintain a minimum average daily balance of \$1,500.00, otherwise a low balance fee will be assessed. A premium money market account must maintain a minimum average daily balance of \$25,000.00 otherwise a low balance fee will be assessed. Please see Schedule of Fees and Charges.
