

YOUR CREDIT UNION STATEMENT HAS A NEW LOOK!

Beginning **September 2019**, you will notice a new look to your Seasons Federal Credit Union account statement. Your new statement was designed using color, bold text and a more spacious and modern design to highlight important information. Your activity is also divided by account type to make it clear and easy to read. Just take a look below at some of the features of your new Seasons Federal Credit Union statement.

The account number and current statement period are located here.

A marketing message or Credit Union update appears here in text or a graphic image.

The "Account Balances" section shows totals all of your savings, checking and loan balances on the first page of each monthly statement.

Bold, clear headings for the date, description, amount and balance after each transaction.

A large transaction area allows us to provide you with more detail about each transaction on your account.

Seasons Federal Credit Union also offers a similar new look for eStatements! Once you've enrolled in Online Banking you will be able to receive eStatements. **Just select Profile under More in Online Banking, and update your eStatement preferences to enroll.** You will receive your first eStatement at the end of the month you enroll.
